Re: On-Net Surveillance Systems, Inc. v. Hawk Technology Systems, LLC  
Civil Action No. 1:15-cv-6653(JGK)(SN)

Dear Judge Koeltl:

We write on behalf of Plaintiff On-Net Surveillance Systems, Inc. ("OnSSI"). Your Honor's Order of Discontinuance dated June 28, 2016, Dkt. No. 41 (the "Order") provides that OnSSI, as plaintiff in this action, may apply by letter for restoration of the action within 30 days of the Order, which period expires July 27, 2016. Accordingly, we submit this letter for the Court's consideration.

As stated in the parties' joint letter motion to the Court dated June 27, 2016, Dkt. No. 40, the parties reached a settlement in principle and have been working to formalize the terms thereof. However, a formalized written settlement agreement has not been entered into at this time.

OnSSI provided a revised draft of the proposed settlement agreement to Hawk's counsel on July 8, 2016. Since that time, Hawk's counsel has not provided any comments or acquiescence to the draft despite repeated emails from Hawk's counsel promising that comments were forthcoming. In the week prior to today's deadline, including as recently as July 25, 2016, OnSSI's counsel sent an email and left a

voicemail for Hawk's counsel regarding the draft settlement agreement and today's deadline but did not receive any response.

In view of the foregoing, OnSSI seeks to have this matter reinstated to the Court's calendar. Should the Court require any additional information, we are available at the Court's convenience.

Respectfully submitted,

Jeffrey Mann
